

Black Creek Watershed Coalition Meeting Minutes

Date: July 30, 2008

Location: Genesee County Park and Forest

Attendance: Rochelle Bell; Peggy Grayson; David Lindsay; Tom Ryther; Christine Seville; Judy Spring; George Squires, Pat Tindale, Larry Ver Weire

Action items are underlined.

Introductions; assignment of roles (Larry managed, Rochelle scribed); changes to this agenda (eat first!!); review and approval of the June 2008 minutes (approved), and correspondence:

Spoke with Maureen Leupold (former BCWC member and new OCWC member): maybe BCWC and OCWC could start working together to plan a Symposium (after the Map Guide is done).

Updates

- Newsletter – 1500 copies being printed at Monroe Litho; 500 will be folded. Christine will send Rochelle contact info for local newspapers. Rochelle will bring draft mailing list to next meeting. Ideas for mailing list: BCWC, D&C (Steve Orr), City Newspaper (Jeremy Moule), Suburban News, M-P papers, Genesee Land Trust, Genesee Valley Greenway, Audubon, Federation of Monroe County Environmentalists; Municipal leaders, EMC; Sierra Club, Parks and Historic Preservation Office in Letchworth, Sierra Club, EMC, Sierra Club, Adirondack Mountain Club, Genesee Valle Chapter, CEI, OCWC, OOWC, G/FLRPC. Post newsletter on BCWC website.
- Watershed Care Brochure – 1500 copies being printed at Monroe Litho. These items will be paid for out of the money we have with the Lake Plains Resource Conservation and Development Council and the Genesee County Soil and Water Conservation District FL-LOWPA annual allocation fund Black Creek Was. Rochelle will bring extra copies of these to Peggy Friday evening.
- Black Creek Watershed Coalition Card – Rochelle will e-mail recent version to George and Judy. George will get quotes for getting it printed. There are less than 100 left from the first printing. SWCD procurement policy: for costs >\$3,000 need three written quotes; for costs between \$1K and \$3K need three verbal quotes.
- Interactive map on website: done. If you have comments or additions you would like made to the webpages, please send them to Rochelle.
- Grants: no work on NYS DOS EPF grant.
- There will be a collection of prescription drugs by GLOW at the firehouse in Pavilion on October 4, 2008 from 8-12. Peggy will forward Rochelle a flyer when it becomes available, and Rochelle will forward it to the group.
- The Town of Chili will work on shoring up Black Creek along Stottle Road and then Chili Ave. during the last few weeks of August.

Display Boards

Judy brought small one to meeting and Larry took it to put on display at Waste Management's open house tomorrow. Peggy will take board from the WM open house and then bring it to the Cool Kids! Green Kids! event on Friday.

Map Guide

Rochelle and George will get quotes for 1,500 copies of the guide with these specs:

2-ft by 2-ft, double-sided, 1 side color, folded

Rochelle will send David Lindsay *.pdf of map.

Judy will send Rochelle a copy of her family boating at the DEC boat launch.

Rochelle will:

Number text

Delete all url's from table.

Reorder table per geography.

Email everyone final text, final table w/ abbreviations defined.

Everyone has until 8/8/08 to submit final comments. Then project is turned over to Christine.

Next Meeting: Moved to Thursday, August 28. Rochelle will see if we can have the lodge at Brighton Town Park – it is outside of the watershed, but closer for Christine, our graphic-artist who-goes-above-and-beyond-the-call-of-duty!
