Combined watershed sub-committee report

Dorothy discussed the upcoming meeting entitled “Municipal Workshop - Introduction to Black Creek and Oatka Creek Watershed Management Plans”. The event is to be held on October 30, 2017 at the Stafford Town Hall, 8903 Morganville Rd (State Route 237).. Plans are wrapping up with the presentation nearly complete. We are expecting about 70 participants. Coalition members need to pre-register if they are planning on attending. After a quick review of the attendance list it was noted that county legislators were among the missing names. Each coalition member was urged to contact their legislator.
